# Introduction of Foreign Workers

As of now, There are three Filipino's working at "Takanedai Home. They're cheerful, always smiling, diligent and polite. They'll be colleagues nice example.

They're popular to our clients. Since the Filipino's started working, the atmosphere of the workplace has become brighter and the sense of unity of the staff has been fostered and become one.

# Work-Life Balance

We need the power of your nursing. We must be physically fit and mental health in order to support the elderly. Therefore, it is very important to balance work duties and absent. We expect to work positively for your own self-actualization.

We'll arrange the environment together so that you can work for "Takedai Home" lengthily.

You can consult with us about anxiety, in work, worries and even personal matters.

You can participate in a Japanese study meeting.

We're taking an infection measure to protect the elderly and the staff from a threat from a Corona vaccine, vaccine inoculation, wearing a dust-proof mask, installing acrylic sneeze guards between seats, keeping on ventilation, Frequent disinfection, and so on.

# Works

The way of thinking of "nursing" is worldwide. Please think at the viewpoint of the elderly and please lend your hands in the elderly's being not made.

We're the common team of various specialized fields. We share the respective viewpoints and are nursing the elderly. We are having a meeting every morning and night, sharing the informations of our daily work.

We use a PC for our long term care record, and it is recorded in a Japanese language. If you aren't good at Japanese, you can ask the staff for help, so nothing to worry.

## Learning

You can learn all knowledge about welfare and medical treatment and technology.

- Abuse prevention,
- Infection prevention,
- Nursing technology, and so on...

We're working with a senior citizen, a foreigner and a person with disabilities. We cooperate with person with disabilities facilities and accept job training
